Meeting Minutes

The Dallas/Fort Worth G.I. Joe Collectors Club meeting was called to order at 2:00 PM. The following official members/members/guests were in attendance;

1. Michael L. Milstead
2. Bob Welch
3. Saul Friedman
4. Keith Holmes
5. Scott Seacat
6. Hank Dillon
7. Randy Thornton and son
8. Greg Brown and son
9. Greg Patterson

I. Introductions were made (and new participants welcomed if needed).

No one new at this meeting.

II. Old business was reviewed and included the following items;

- Bob W. – presented to the club to participate in the VJ Day remembrance at the FOFM on 08/14/2010. We would be building a diorama to depict VJ Day in the South Pacific. We would be able to do setup on the 13th.
- Club – we decided to use the meeting on the 7th of August as preparation day for building the diorama the next weekend.
- Club – The September meeting day was moved to the second Saturday the 11th, due to the Labor Day Weekend. Keith H. bought up that we might be making this a field trip meeting to the Grapevine Police Shooting Range.
- Michael M. – October meeting maybe another field trip meeting to the Alliance Airport Air Show held the last weekend of the month 30th/31st.
- Michael M. – November meeting to be held at John Russel's house for a casting class. This would also be the due date for our Christmas Toy Drive.

III. New business included the following items;

- Keith H. - bought up about us as a club making this a field trip meeting to the Grapevine Police Shooting Range. Still checking on this and hopefully we know beforehand about the details.
- November meeting to be held at John Russel's house for a casting class from 12 to 2 PM. This would also be the due date for our Christmas Toy Drive.
- The rest of new business was discussion for the diorama for the FOFM on the 14th.

IV. Bob W. – gave the Treasurer's report as of August 1st. starting balance was \$1488.71.

V. Greg Brown -- gave a presentation on modern uniforms, equipment and various camouflage patterns that our armed forces are using in the field. He used 1:1 scale equipment and uniforms for his presentation.

VI. The meeting was officially closed at 4:25 PM.

Trading commenced immediately after the close of the meeting.
